If you're looking for a family home within a budget, then look no further. This spacious 4 bedroom brick home offers not only a unique opportunity for the large family but also the savvy investor. The northeast aspect from the living room makes it a wonderful place to enjoy the morning sun and a motorised external blind allows the room to keep cool during the afternoon. The home features carpet, tile and cork floor coverings throughout. The bathroom has a large spa bath with an easy to access separate shower. There is ample storage downstairs, accessible from an internal timber staircase. The single remote garage with multiple remotes, along with a tiled room and further storage with its own access, as seen on the floor plan. The large green 2 bay garage with power and a side access door leading to the fully fenced back yard. From the front door of the property it is only a short walk to local Goonellabah amenities and schools. This truly is a fantastic property that has been looked after by the current owners for over two decades. To enquire please contact Harry Wilson on 0491050166 or the Wal Murray sales team.
