\$670,000

This is an opportunity to purchase one of 883 Collins street's best facing 2 bedroom luxury home with a centered skyline view and a secure parking to boot. Located in the Victoria Harbor precinct, you'll love everything about this contemporary abode, from its north eastern aspect, serene location all encompassed in a sleek renovated interior. Your new home's open plan living and dining area allows access to an unobstructed skyline view in a north east aspect with opportunity for fireworks view during the holiday seasons. This specific property sets itself apart with extensive internal renovations and upgrades boosting its appeal. A light themed living area leads to an open air balcony terrace that is generously spaced and excellent elevated privacy with its protruded design, residents of 883 Collins complex will have access to a 24-hour concierge, communal lounge, business center and board room, indoor cinema, sky garden with BBQ facilities, 25m indoor heated pool, spa, sauna and a proper facilitated gym. Both bedrooms feature built-in robes, and the master bedroom enjoys the luxury of an exquisite ensuite. Additional highlights include a stylish bathroom, European laundry, reverse cycle heating/cooling, secure intercom and a secure standard car space (non-mechanical). Whether it is the start or the end of the day, you'll have prime vantage point for sun rise/setting backdrops that truly showcase this unbeatable location. Contact agent now to find more.
