Expertly crafted to encapsulate a designer aesthetic, this dazzling four bedroom, three bathroom masterpiece showcases luxurious finishes, multiple living spaces and a seamless indoor/outdoor transition. Double storey, the sophisticated property imbues a soft colour palette that allows curved elements and textured materials to react to the natural light that shines throughout. The opulent stone-bench kitchen stars premium appliances including ASKO induction/gas combination cooktop, AEG electric oven and integrated Bosch dishwasher. A freestanding island with waterfall finish, Franke double sink, walk-in-pantry and ample soft-close cabinetry complete the package. Meanwhile, the airy dining/family domain leads to an outdoor entertainer's deck and manicured backyard with water tank. Further highlighted by an upstairs retreat with adjoining study alcove and stone workstation, Terrazzo tiled bathroom/ensuites, powder room and full-size laundry. Featuring engineered floors, heating/cooling, alarm/intercom and remote-controlled garage/OSP. Zoned to Coburg High, it's near Coburg Hill shops, Edgars Creek parkland, transport and schools.
