An outstanding display of contemporary ease and luxurious finishes creates a new way of living in the heart of Highett. Just metres from the Highett Village shops, cafes and train station, this as-new 2-bedroom, 2-bathroom top-floor apartment delivers contemporary style and a quality edge. Accessed via lift and your two side by side basement parking spaces, this is the perfect stair-free downsizer, easy-care Bayside residence or lucrative investment address. The sophisticated interior focuses on premium finishes and features, with the open-plan living and dining zone extending to a full-width terrace through sliding doors. Natural light is reflected on the high ceilings and engineered timber floors, with double glazing and reverse cycle heating/AC throughout, adding to the deluxe comfort within. Everything you want in a gourmet kitchen is here, including natural Dolomite stone benchtops, soft-close storage and a suite of high-end Bosch appliances, including an integrated dishwasher. The main bedroom is complemented by a luxe ensuite, BIR's dual S-blinds and balcony access, whilst the second bedroom offers easy access to the central hotel-style bathroom. Natural stone bathroom vanities, Euro laundry, video intercom entry and a storage cage are just some of the features that enhance this first-class apartment, just steps from the best Highett has to offer, with cafes, parks, buses and trains all at the end of the street.
