Nestled in the sought-after Beachpoint complex at Forster Main Beach, this apartment is a serene sanctuary boasting some of the most spectacular ocean views that coastal living has to offer. Ideally situated just metres from the beach, ocean baths, and restaurants, this apartment allows you to lock the car away and walk everywhere. From the moment you step inside, you're greeted by a panorama that captures the crystal-clear waters and vibrant life of the beachfront, visible from expansive windows that grace the living spaces and bedrooms. The living area is a spacious, light-filled stage where the outside seascape steals the show. Here, comfort meets elegance, with a layout that's perfect for soaking in the views or for entertaining guests who will no doubt be captivated by the scenery. The main bedrooms are your personal retreat where the promise of a morning sunrise over the water can be your natural alarm clock. This room is not just a place to rest but a vantage point to witness the changing tides and the peaceful horizon. While the kitchen and bathrooms are functional and well-maintained, it's the balcony that is the true jewel of this property. It serves as an extension of the living space, a place to dine al fresco, or simply to sit back and let the symphony of ocean sounds and the gentle sea breeze envelop you. Living here offers an unparalleled opportunity to enjoy a life of tranquility and beauty, with the oceanfront as your constant backdrop. It's more than just an apartment; it's a window to the sublime, a daily indulgence of the senses, and an invitation to live a life punctuated by the beauty of the Forster coastline. If you are looking for that coastal escape, a place to call home or that holiday investment, then this property is a must to inspect.
