Expressions of Interest closing 1st May at 12noon

Immaculately presented, this luxurious apartment represents the pinnacle of penthouse perfection, enhanced by glorious treetop views and a prime position opposite Central Park. With no expense spared in the quest for refined contemporary elegance, vast and versatile open plan living/dining areas (gas fireplace) bathed in natural light are complemented by a fully integrated stone kitchen and a wraparound terrace taking in tranquil vistas of the Dandenong Ranges to the east and beautiful northerly sunshine. All three bedrooms have outdoor access, the lavish master boasting a walk-in robe and an ensuite, while the other two (built-in robes) are privately zoned and adjoin a main bathroom. Including a private four-car basement garage, zoned heating/cooling, oak herringbone parquet floors, auto blinds & awnings, a large separate laundry and a Vintec wine fridge, it is set for a supreme lifestyle, boasting glorious parkland, Hedgeley Dene Gardens, local cafés, excellent schools and M1 Freeway access all in the immediate vicinity.
