Backdropped by incredible panoramic northern valley views, this elevated two bedroom apartment hosts light-filled modern interiors, balcony entertaining and arguably the best position on the second floor on the north west corner. Set in a boutique group on the doorstep of Malvern Road trams, bustling cafes, local shops, Malvern Gardens and Tooronga station, the setting, scenery and styling are superb. The north-facing open plan living and dining zone is beautifully scaled and appointed with timber flooring, room to accommodate a large dining table and floor-to-ceiling glazing retracting to the viewing balcony where you can observe the sun, sky, sunsets and distant mountains. The kitchen has been thoughtfully deigned with comprehensive cabinetry, stone benchtops, Miele appliances including a full size integrated dishwasher and gas cooktop. The two double bedrooms, each with built-in robes, are partnered with a bright modern central bathroom with heated towel rail. Stylish and functional, the apartment also features split system heating and air conditioning, European laundry, security intercom, lift access and a secure basement car space. Every care has been taken to represent the property accurately. Prospective purchasers are advised to inspect the property. These images are a representation only.
