An exemplary display of inspiring contemporary luxury, this bespoke apartment delivers an unwavering commitment to quality, designed by renowned Conrad architects. Sleek modern finishes have created an environment of unrivalled style, with the open-plan living/dining area incorporating a high-end kitchen appointed with Bosch appliances and stone benches. Sophistication is further continued throughout 1 robed bedroom and striking fully-tiled bathroom, while split system heating/AC, study nook, balcony, intercom entry, lift access, basement car space and storage cage provide premium lifestyle extras. Situated in one of Melbourne's most affluent suburbs, a walk to vibrant High Street shopping and culinary precinct, and close to Malvern Central, Cabrini Hospital, elite private schools and transport options. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
