The home was built in 2006, set on a large 768 m² block in the Greenwood Estate directly opposite extensive parkland, sports fields and recreation areas and walking distance to Coles, food outlets and gymnasium. This large home is approximately 250 m² under roof. The impressive entry features a lovely water feature, double timber entry doors and tiled porch and foyer. To the right is the spacious lounge and dining area which flows through the impressive kitchen boasting quality appliances and masses of storage to the large family area. Both the lounge / dining area and family area lead out to the big tiled patio. There are four built in air conditioned bedrooms with the main featuring large walk in robe and luxury ensuite with corner spa. The main also has access to a private patio area. Vehicles are kept secure in the remote double garage and the block features side access for the boat or caravan. A huge bonus for Dad is the colourbond 6m x 3m shed. Currently tenanted on a fixed term lease for \$500 per week. Inspections by appointment only.
