With 4 bedrooms, 2 bathrooms, and a HUGE block (1348 m²), this highset Berserker home is a dream come true for large families, or buyers who just want a lot of space. Everything has been done to it - absolutely nothing left to do to make this your perfect home. The house has been freshly painted, and all done up. Airconditioned throughout, clean and tidy, and ready for you to make your move. Outside we have a treat for you - there are stables waiting to be transformed into your dream shed area - SHEDS galore! Or, if you're an investor and looking to the future a little, this block could be subdivided and those stables could be turned into units to resell. How much potential does this Berserker house have?! Call Rossana on 0477 868 936 today to make it your own. Get in quickly!
