This remarkable townhouse delivers an impressive low-maintenance lifestyle thanks to its heart-of-Coburg convenience, long list of features and unique period touches including reclaimed brickwork and vintage lead-light windows. Complete with its own street frontage (and no shared land), the home's luminous interior offers three bedrooms (large master) with built-in robes all serviced by a central bathroom with spa bath and second WC. The front living room provides the perfect place to relax flowing through to the open dining area and adjoining kitchen with granite benchtops, lots of cupboards and Smeg/Bosch appliances. Add to this a full-size laundry and under-stair storeroom, double blinds, ducted heating and split-system a/c (both levels), plus a private rear courtyard to enjoy and remote-control garage with workbench and additional storage. Bus stop around the corner, it's also walking distance to Melville Road trams, local cafes, Piedimonte's Supermarket and both Coburg West and St Fidelis primary schools, as well as easy access to Strathmore Secondary College (zoned), Coburg Station and Citylink.
