Sitting opposite iconic Victoria Park, just steps from all the colour and culture of Johnston Street's Abbotsford strip, in easy walking distance from Yarra Bend parklands and Dights Falls, this gleaming second-floor, two-bedroom apartment is blessed with unbeatable lifestyle benefits. Set in a boutique development etched with sharp modern style, the bright residence employs a generous open layout, where the central living space flows onto a large covered balcony, whose secluded treetop aspect makes it a gorgeous place to play host or just take your morning coffee. The immaculate kitchen features a black-tiled splashback, pristine cupboards, and top-line appliances (dishwasher, oven, induction cooktop). Both bedrooms host built-in robes, with the primary bedroom adjoining a private ensuite with walk-in shower, whose design is echoed by the central bathroom. Additional highlights include Euro laundry, split-system heating/cooling, basement garage car space and storage cage. The great location is just steps from Victoria Park, the Yarra River Trail, Dights Falls, trains, buses, supermarkets, cafés, restaurants, boutiques, breweries, record stores and so much more, delivering incredible local living. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
