## **Auction Saturday 2nd December, 10am on-site**

An exciting opportunity exists to purchase this modern 2 bedroom apartment close to everything Byron Bay has to offer. Set within a brand-new complex that was recently named New South Wales Best Boutique Development, the complex is inspired by Byron Bay's unique natural setting and casual way of life. The architectural design of Jonson Lane provides an exciting mix of residential apartments and laneway style retail experience. At home, you will enjoy a spacious and light-filled layout with sophisticated finishes throughout while the prime Jonson Street location has you just moments from renowned retail and restaurant options. Daily life will revolve around the gourmet kitchen with an island, quality appliances and views over the open plan living and dining areas. Hosting guests will be a pleasure on the private and covered balcony, or you can relax inside in total comfort with ducted air-conditioning and ceiling fans. There are two bedrooms and two bathrooms including your luxe master with an ensuite. A study nook area, built-in storage, and parking for one car are included plus residents also relish access to a rooftop pool area with a lovely outlook. All this was completed at the end of 2022 and is positioned within easy walking distance of Byron Bay's shops, restaurants, bars, and picture-perfect beaches. The stylish apartment will sell under the hammer at auction, if not before. To own this desirable and well-situated piece of real estate in Byron Bay you will have to act now to express your interest.
