Ready to occupy in October 2023. Buying into Kurraba Residences is an exclusive opportunity. Designed by SJB and Mathieson architects the apartments provide a unique living experience immersed in the beauty of Sydney Harbour. Directly on the water, Kurraba Residences are surrounded by gardens on 3 sides extending to the foreshore. Apartment 202 is one of only 24 brand new residences. The semi-circular glass windows enclosing the terrace are a signature of the development that extend the living area and create an indoor/outdoor flow. The apartment features limestone floors flowing from indoor to outdoor, spacious lounge dining with fireplace and custom joinery, solid marble bench tops and bronze tapware. All appliances are Wolf and Sub Zero. Lift access directly from secure garages with number plate recognition. Residences also have access to the communal wine room with private wine storage and temperature control. Extensive landscaped gardens by Will Dangar. Strata levies approx. \$1400 per quarter.
