This impeccably designed 2-bedroom, 2-bathroom 2nd-floor apartment sets a new standard for contemporary living. It boasts a practical layout and a wonderful alfresco terrace. Upon entering, you're welcomed by a spacious foyer featuring seamless glossy cabinetry that conceals the European laundry and storage. The apartment offers two double bedrooms with fitted built-in robes (both with A/C) and two gleaming fully tiled bathrooms, one of which is an ensuite. The stylish living and dining area seamlessly blend with a well-appointed stone kitchen, complete with an island breakfast bar featuring waterfall stone edges, Smeg appliances, a pantry, pot drawers, and a sleek black glass splashback. The full-width east-facing alfresco terrace provides plenty of room for both entertainment and airing clothes if needed. The apartment exudes luxury with its European Oak floorboards, timber-look cabinetry, and floating display shelves. It's reverse cycle air conditioning, and excellent storage, including soft-close cabinetry. Additional features include a video intercom system, lift access, secure basement parking (not a stacker), and a communal store room with a spacious private storage cage. Situated just moments away from the North Road shopping precinct, this location offers easy access to Ormond station, the Monash University bus, Kilvington Grammar, Joyce Park, and an array of fantastic local restaurants.
