Contemporary lock-and-leave living reaches its pinnacle with this north face luxury two-bedroom apartment at top level of complex, securely located within a short stroll from Bayswater Village, the train station and Bayswater Primary School. Setting new standards in high-end design and lifestyle convenience, tasteful interiors and a refined colour palette combine with superior finishes that include beautiful engineered Oak flooring, soaring ceilings and square set cornices. Filled with natural light, the open plan living zone connects to a generously sized alfresco balcony which is overseen by the sleek kitchen that incorporates stone benchtops, an induction cooktop, stainless steel oven and dishwasher. Boasting two robed bedrooms the expansive master features high ceilings and a study nook, with both bedrooms residing close by to the elegant bathroom that comprises a shower, bath, porcelain tiling and a separate WC. Additional highlights include split-system heating and cooling, Euro laundry, secure intercom entry, visitor's carpark and a storage cage. A genuine statement in intelligent design that will strongly appeal to professionals, first-home buyers, downsizers and investors alike, enjoy the close proximity to EastLink for an easy city commute, Knox Westfield, Bayswater Secondary College and Marie Wallace Park.
