Introducing The Oxford Residences, 360 degrees living at the edge of Bondi Junction. Award-winning Howe Architects and SJB Interiors have created The Oxford Residences with open, light-filled spaces, contemporary, relaxed living, and showcase spectacular views of the city skyline, parklands, coastline, and Sydney Harbour. With beautifully considered, premium finishes and inclusions throughout the understated colour palettes present the perfect canvas for your individual styling and appointment. Each residence affords a light palette of warm tonal finishes in natural stone, timber, and brass, with simple, refined details that show careful consideration of design and place. The residences adapt easily to the diverse requirements of modern life.

- Striking organic, sculptural architecture
- Exclusive rooftop entertaining terrace with iconic panoramic views
- Stunning design collaboration between award-winning SJB and Howe Architects
- Abundant landscaping, bringing the adjacent parklands inside
- Timeless finishes from lobby arrival through to apartment interiors

The Oxford Residences showcases breathtaking panoramic views and a stunning sky terrace that invites you to unwind high above the world below. Ideally located at the edge of Bondi Junction with easy accessibility to shopping, parklands, beaches, transport, and all the best of Sydney on your doorstep. Sorry, no pets allowed.
