Inspired Style on the Junction

A sanctuary of style yet within metres of every Camberwell amenity, this stunning brand-new 2-bedroom residence, in a sensational Pitch Architects designed boutique enclave, brilliantly showcases an elite level of finish, generous proportions and inspired designer style.

Wide oak floors create a refined ambience while high ceilings add a sense of space to the entrance hall and expansive open plan living and dining room opening to a spacious balcony. Appointed with Miele appliances, stone benches and an integrated fridge/freezer, the gourmet kitchen is a chef's delight. The light-filled main bedroom with built in robe and lavish ensuite is matched by a second double bedroom with robes and a stylish bathroom.

Only moments to a myriad of shops and restaurants, Rivoli Cinemas, Camberwell station, trams and Fritsch Holzer Park, it includes video intercom, ducted heating/cooling, double glazing, Euro-laundry, storage cage and a basement car-space.
