Breathtaking design by the renowned Martin Friedrich Architects, this luxe 3-bedroom penthouse apartment boasts a magnificent location on the edge of the village & enviable elevated living with captivating city skyline and bay views. Bathed in natural light and offering exquisite quality in a boutique complex of only 15. The apartment offers a perfect combination of oak timber floors, natural stone finishes, and floor-to-ceiling windows and doors covered with sheers to allow for light-filled living. The expansive glass and open plan living and dining area feature a stone gas fireplace, while the premium marble and Miele kitchen comes with a butler's pantry, ample storage, and 3 ovens for all your cooking needs. The living room opens up to a wrap-around terrace that is ideal for outdoor entertaining and enjoying the magnificent views. The Master suite features walk-through robes, a stunning ensuite, and direct terrace access for you to sit and enjoy your morning coffee and the paper. The guest/children's wing provides two additional bedrooms, each with bay views and robes and share the main bathroom. Other features include, a family laundry, individual zoned heating and cooling, video intercom security, 100% wool carpets, and automated window coverings throughout. The apartment also includes double side-by-side basement car parking, a huge storage cage for life's collectibles, and lift access. Known as "Trentham House", this complex is celebrated for its quality, privileged location and is the prestige apartment you've been looking for on the doorstep to Sandringham village and the bay.
