The embodiment of Brighton exclusivity, coastal resplendence and rich historical identity, Sera Brighton on the corner of Pine Street and Hampton Street is the key to lifestyle perfection in apartments of distinction by Lowe Living, acclaimed Warren and Mahoney and eminent Jack Merlo. Sera, Latin for 'lock', preserves the essence and tradition of excellence of its historical site with its arched forms and inspired craftsmanship. With a unique material sincerity and design reverence, the sustainably conscious residences honour the privilege and beauty of the Brighton area. Warren and Mahoney's three tier podium showcases the striking geometry of Sera's arch design meme in a gentle nod to the architectural identity of the existing building. An expansive 2 bedroom plus separate study area with relaxing generous light filled living zones that effortlessly transition through full-height doors to secluded balconies for perfect indoor-outdoor connection. Verdant outdoor havens feature landscaping by Jack Merlo, framing balcony views and creating spaces that exude comfort and everyday functionality. Exceptional attention to detail and the utmost functionality is on show in the extra large well appointed kitchen. Natural stone benchtops and splashback complement the soft grey toned cabinetry. Elevating the culinary experience, energy-efficient Miele appliances include electric induction cooktops. Pamper yourself in bathrooms elegantly styled with natural toned finishes delicately paired with high quality fixtures. Natural stone topped vanities celebrate textural splendour as rich walnut joinery and graphite tapware unite with glazed vertical tiling. Mirrored bathroom cabinets with feature lighting to master ensuites hold all the essentials. Enjoy the daily benefits of an energy efficient and sustainable lifestyle with a range of Environmentally Sustainable Design features that are integral to Sera's green living experience. Apartments enjoy optimal natural ventilation and light, energy and water efficient appliances and heating and cooling systems with minimal environmental impact. Travel is easy with carshare and secure undercover bicycle parking. Car parking within the secure basement completes this landmark offering. In the heart of Dendy Village, just moments from Brighton's crystal waters and abundant amenity, Sera articulates the charm and finesse of its prestigious address.
