Come claim your spot in this prized waterfront locale and dive into all the awesome stuff Honeysuckle brings to the table – think top-notch restaurants, cool bars, live entertainment, and an easy stroll along the waterfront straight to Nobbys beach. Nestled up on the second floor with just two other apartments, this slick renovated three-bedder is a total showstopper, soaking in that sweet northern sun, boasting large rooms, and serving up some seriously epic views of the harbour. As soon as you step foot in the open plan living space, you're greeted by a flood of natural light thanks to those floor-to-ceiling windows framing the waterfront panorama. Trust us, you won't get tired of watching ships cruise in or catching the buzz of the boardwalk below with its stream of walkers, joggers, and cyclists making their way to and from the beach. The master bedroom, complete with its own ensuite, shares the same killer view, opening to a spacious terrace for alfresco enjoyment. The kitchen is as sleek as can be with its island bench, stone finishes, induction cooktop, and dishwasher, making meal prep a breeze. Need a workspace for those WFH days? We got you covered, although fair warning, those harbour views might steal your attention! Two more bedrooms, a family-sized bathroom, and a roomy laundry sit away from the social hub for some well-deserved privacy, while ducted AC keeps things cozy and updated hybrid flooring and custom cabinetry add that extra touch of class. Got bikes, tools, or just some extra gear? Stow them in the double storage cage, right next to your two side-by-side parking spots.
