An evocative city-fringe apartment that frames brilliant views of the city's skyline from the thriving heart of Fitzroy, this sophisticated two bedroom residence is a part of Gurner's highly acclaimed 'The Spanish Club' building. Tastefully curated by Warren and Mahoney Architects, the apartment boldly merges a contemporary industrial-styled design ethic with the building's distinctive façade and a genuine sense of inner-urban authenticity. • Open-plan living is underpinned by a white, stone-topped kitchen with black accents, a featured-tiled splash back, timber flooring, concrete ceilings and large industrial styled windows. • Seamlessly, the open-plan flows to a balcony with exposed brickwork and terrific city views. • Each of the bedrooms features custom built-in robes - the main bedroom also with its own subway-tiled designer ensuite. • A cleverly concealed laundry is efficient and functional. • Split system heating and air conditioning. • Secure, elevator-accessed basement parking. • A storage unit above the car space. • Walk to the best of Fitzroy. • Moments from the CBD.
