Tailored for effortless modern living, this brand new residence comprises an open plan living, dining and kitchen zone with adjoining balcony, two bedrooms with robes (main with ensuite), central bathroom and Euro laundry. A secure basement car space accompanies this exceptional property. Inspired by its inner city location, Eighty Eight – Mt Alexander Road presents a stunning architectural facade which maximises curb appeal and is instantly recognisable along the residential precinct of Mt Alexander Road. Interiors have been meticulously crafted by renowned interior designer Allison Pye. All interior spaces are well considered and showcase a sophisticated tapestry of quality finishes and high end fixtures and fittings to leave a lasting sense of substance and style. Achieving an optimal balance between form and function, style and liveability, every facet of Eighty Eight – Mt Alexander Road has been carefully designed. This one of a kind development will take its place in history as one of Melbourne most iconic landmarks. Please note, photos are indicative only.
