Just listed & just sold, we have more qualified buyers looking to purchase in the Fish Creek area. This grazing property located just on the outskirts of Fish Creek is classic blue gum country, heavy carrying and capable of growing a power of grass. The farm in a tightly held area offers the following features -:  
- Modest (4) bed home that will require some updates  
- 180 acres of undulating pastures  
- Divided into 32 paddocks serviced by a central laneway  
- Disused dairy and associated shedding  
- Large machinery shed  
- Excellent water vis dams  
- Sealed road frontage
