DESIGNED TO COMMAND ATTENTION Residents will enjoy the beauty of the Hills on sun-kissed balconies facing either the ancient Blue Mountains or looking out towards the city. Fresh air will waft through light, bright apartments that symbolise the care-free Australian lifestyle. **MOVE IN...MOVE UP** Dyldam's designers have created high end apartments ready for life. Superior finishes, elegant colour palettes and open plan layouts are worthy of an interiors magazine. Life's practicalities are smoothly addressed. The European kitchen features stone benchtops feature cabinetry, inset double sinks and ducted range hood. A curved free-standing bath is the focus of the designer bathroom. Many apartments offer the option of a study. The internal laundry with wall-mounted clothes dryer makes wash-day easy. All homes are protected by security alarms and building intercom. Secure car parking and basement storage add to the convenience. **CARLINGFORD...The Educated Choice** Carlingford stands out as a centre of Educational Excellence. Residents choose to live in Carlingford for their children's education and career future. No other Sydney location can boast so many Tier 1 academic institutions: James Ruse Agricultural College is one of Australia's top performing high schools Carlingford West Public School leads the New South Wales primary educators with a strong multi-language programme The Kings School has educated Australia's government and business leaders Macquarie University and the expanding University of Western Sydney Parramatta Campus are just minutes away. Education Coaching and Tutoring services abound in Carlingford.
