Situated to embrace the epitome of a metropolitan lifestyle, this delightful studio apartment serves as the perfect choice for a first home, investment opportunity, or a city retreat. The ingeniously designed split-level layout cultivates a roomy and breezy atmosphere, establishing separate living and bedroom zones characterized by a well-equipped kitchen. Enter the realm of 'The Gallery,' a building inspired by the elegance of New York style, showcasing a magnificent, shared rooftop entertainment space plus communal gym for residents. Enclosed by the vibrant energy of Cremorne's finest cafes, restaurants, and nightlife, this locale offers an enticing array of international cuisine while also enjoying direct access to city and beach-bound bus services for added convenience. Key Features: • Open flow with serene positioning and elevated outlook • Spacious separate living area, kitchen adorned with gas appliances and integrated dishwasher. • Separate space for a queen bed with built-in robes • Fully tiled bathroom with a discreetly integrated laundry • Security complex entering into boasting a luxurious marble foyer. • Shared BBQ terrace with water views • Convenient walk to shops, cinemas, cafes, and restaurants • Express city bus services to CBD and Beaches at your doorstep
