Showcasing superb appointments at every turn, this light-filled, modern and elegant one bedroom apartment embodies contemporary allure. Footsteps to transport, IGA Xpress and buzzing cafes, it takes its place in the fashionable building known as "The Grove". Shopping precincts are just a short drive away, parks are only a stroll and it's quick and easy to travel into the city's heart. Packed with Bosch appliances, the kitchen/meals/living includes an integrated stone-topped table and wall-of glass, which leads to a balcony and ushers city glimpses inside. The bedroom similarly accesses the balcony and also comes with an inbuilt study area, mirrored built-in robe and direct access to the dual entry bathroom/laundry. Lifestyle appeal is enhanced by access to a residents' gym and landscaped barbecue facilities. Double glazing, heating/air conditioning, a secure entrance, video intercom, elevator access, storage cage and off street parking round out appeal, resulting in a feature-packed abode you'll love.
