With an expansive entertainer's terrace which measures 40 sqm (approx.) giving you alfresco space that is so rare for 1 bedroom living, this light-filled and dazzlingly stylish property in the boutique 'Ruba' residential complex is a very rare find. The enormous size of the terrace will be a match made in heaven for those who love enjoying the outdoors, with tree top views also a feature of this area that will instantly put you at ease. Inside, the open plan lounge and meals zone is bathed in natural light thanks to floor-to-ceiling windows, with striking timber floors adding to your living experience. Incorporated into the kitchen is the pristine stone kitchen which shows off with a mirrored splashback and stainless steel Miele appliances including an integrated dishwasher. The light-filled bedroom has direct access to the terrace as well as mirrored built-in robe storage, while the elegant bathroom next door comes with an oversized shower and European laundry. Also embrace reverse cycle heating and cooling, secure intercom entry, and secure car space. Walk to Hartwell Shopping Centre which features Leo's Fine Food Supermarket and the popular Haiku café, with Hartwell Station also close by. You're also near Camberwell Junction shopping precinct, Camberwell South Primary School, Camberwell High School, Willison Park, Camberwell Sports Ground, and the 75 tram at your door transporting you to the CBD. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
