Offers over \$475,000

Positioned in a popular residential precinct, this appealing brick home presents endless potential and is within proximity to the city centre, parks, and shopping. Positioned on an 809m² allotment there is plenty of opportunity to extend the home while still retaining the original features including timber floors, ornate ceilings, and cornices. There is side access to the leafy rear yard which offers two car accommodation plus various workshop/storage areas. With so many possibilities this home is perfect for first-time home buyers wanting to add their own touches and reap the benefits of such a convenient and sought-after location.

- 3 Bedrooms, main with a walk-in robe
- Updated kitchen
- Ornate ceilings and cornices
- Hardwood timber floors
- Side access to the rear yard
- Catchment area for Centenary Heights State High School
