Tucked away and extremely private, this stylish second floor apartment is positioned at the rear of a secure group right on the very edge of vibrant Glen Huntly village. With a choice of eateries, shops including Woolworths and both trams & trains just metres away, it is an offering that has absolutely everything needed for a carefree lock-up-and-go lifestyle. Finished to an exacting standard throughout, the sun-filled sanctuary comprises an open plan living/dining zone, a sophisticated granite-topped kitchen with stainless steel appliances (including a dishwasher), a contemporary bathroom with rain shower and a separate WC. Enhanced by pale coastal-chic wide-board floors and flushed with natural sunlight and warmth, the home also features a generous wrap-around balcony for open-air entertaining or relaxation plus a hidden European-style laundry, split system heating/cooling (panel heating in both bedrooms), intercom entry and lift access. There is also the convenience of a secure parking space and storage cage. In addition to its brilliant position just footsteps to Glen Huntly village and all of its wonderful amenities, the apartment is within easy reach of Glen Huntly Primary School, Glen Eira College, Chadstone Shopping Centre and Monash University Caulfield campus. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
