THE DEAL This exceptional luxury waterfront apartment in Beacon Cove offers spacious light-filled living, ideal for those looking to downsize without compromise on comfort or style. Enjoy the Sunsets & Serenity - Your dream destination awaits. Occupying the entire eastern corner of this tightly held fifth tower, this house size apartment is a rare gem with only three residences on each level. Step inside to discover a thoughtfully designed layout featuring security foyer and entrance hall, setting the tone for a sense of security and sophistication. The oversized master bedroom boasts glorious bay views and includes a full ensuite bathroom plus built-in robes, providing a serene retreat for relaxation. Two additional spacious bedrooms offer versatility. Fourth bedroom currently used as a second living room/study area enjoying City skyline views and access to a large north facing balcony. Perfect for enjoying the fresh air and alfresco entertaining. The open plan living and separate dining area capitalise on over looking Port Phillip Bay and beyond, ensuring breathtaking sunsets. With modern engineered floorboards underfoot, the space exudes warmth and elegance. The fully equipped gourmet kitchen with stone bench tops caters to culinary enthusiast, while the separate laundry provides ample storage for convenience. Residents will appreciate the resort style outdoor swimming pool set amidst lush gardens, providing a tranquil oasis to unwind. Plus, with two security side-by-side car parks close to the lifts, a large storage cage and a pet friendly environment, every aspect of comfort and convenience has been considered. **SEALS THE DEAL** Situated moments away from Princes Pier, First Point Beach on your doorstep and the 109 city light rail, this location offers easy access to leisure activities and transportation options allow you to embrace the coveted Port Melbourne lifestyle. Don't miss the opportunity to secure your future and make the sea change you've been dreaming of. Welcome home to effortless waterfront living. Andrew Turner: 0408 211 281 - andturner01@gmail.com
