Step into a fairytale-like experience at this charming home in the idyllic township of Mittagong. Situated on a spacious 7808sqm parcel of land and nestled at the top of Mt Gibraltar, this extraordinary property offers lovely views to Mt Alexandra that will leave you captivated. Undoubtedly, it is a truly unique find that will instantly grab your attention. This enchanting home has lots of quirky features, think Tudor style architecture, mixed with French farmhouse. From the grand entryway, an elaborate fireplace, ornate light fixtures, heavy exposed timber ceiling beams, every detail exudes olde-world sophistication and grace. The upstairs "gallery" level includes lots of historic fixtures, including double solid wooden doors from the Old Bank in Sydney. A beautiful walk to the back of the property will take you on a wander around a large Japanese inspired garden. Many rare specimen trees are found on the sprawling two acres which is conveniently close to both Bowral and Mittagong and the bustling cafes and shops. Features include: 4/5 bedrooms 3 bathrooms Under cover parking for 3 cars Sub division potential (STCA)
