This stunning furnished one bedroom 'studio' apartment is offering a rare opportunity to live in a modern environmentally designed urban development in the heart of Brunswick in the highly sought after Skye House. The apartment features a modern kitchen with timber cabinetry, integrated dishwasher and Fisher & Paykel electric cook top and oven. A stunning white tiled bathroom with quality brass tapware and fittings. Beautiful timber recycled hardwood flooring and hydronic heating. The open plan living, and kitchen area offers amazing views of the city and local urban neighborhood and leads on to a generous private balcony and outdoor oasis. This property is being leased for an initial six months with all utilities including electricity, high-speed commercial-grade internet (connection included) as well as water usage. Also on offer to residents is a shared rooftop garden, communal laundry facilities; common room and kitchen; bath house and ample secure bicycle parking.
