Easy modern living with style, right in the heart of Noble Park with restaurants and shops literally at your door step! Sleek, stylish and filled with natural light, this north facing sun filled apartment offers a layout ideal for singles, couples or flatmates sharing. Gleaming hybrid waterproof flooring through the entry hall which opens to a large living and dining zone complemented with high ceilings throughout. Sunny north facing tiled balcony offers that extra entertaining space. The modern kitchen features quality appliances with the stone benchtops, stainless steel gas cooktop, oven, new Bosch dishwasher and plenty of overhead cupboard space. Central fully tiled bathroom with shower and toilet plus separate European laundry. 2 large bedrooms both complemented with robes and hybrid flooring. Split system heating/cooling inverter unit located in the main living quarters. Entry into the apartment is accessed via a remote control into the car park and security tag entry into all external doors. The apartment is complete with a personal allocated car space and storage cage. Central lift for easy access to the upper levels. The ideal first home or perfect investment. A short walk to the Noble Park train station and numerous shops and cafes that Noble Park is becoming renowned for. Life becomes a breeze and living is easy!
