Bathed in natural sunlight and hidden from view amongst the gum trees this beautifully presented lifestyle property is a true sanctuary away from the hustle and bustle of daily life. Entering through a solar powered remote-controlled gate a sealed bitumen driveway leads you through a stand of trees to a large turning circle in front of the house. Stairs lead up the front door and a large wraparound sun deck, which extends to the outdoor entertainment area at the side and rear of the property but more on this later...The home has been totally renovated from top to bottom with a stunning new designer kitchen and large island, a separate dining space and a large formal living room connected by barn doors. The new main and ensuite bathrooms are absolutely stunning and feature floor to ceiling tiles. There is a dedicated laundry, and the home has been painted throughout with new carpets, flooring, tiling and plenty of storage space. There is an extensive outdoor entertainment area comprised of a large terraced sun deck, an incredible outdoor spa hut, separate fire pit, and a built-in covered BBQ and pizza oven. A servery window in the kitchen connects the inside to the outside and gives the property a resort feel. There is also a large 6x12m shed including a separate workshop, a 3x3m shed and two shipping containers for extra storage. The property has solar hot water and solar power and three large water tanks and postcard views of Mount Wellington - kunanyi. An eclectic art inspired garden including pots and arbours, and a large covered vegetable garden completes the picture. This unique one of a kind property is presented to the market for the first time in 15 years.
