The Jardin Release homes at Everley are architecturally designed and delivered by Nostra Homes – specialists in modern turn-key living. Just minutes from the endless amenity of Sunbury’s historic town center, Everley is a 1,900 lot community that will be an extension of what has come before, with a vision clearly focused on the future. With an already well-established community, Jardin is a place where you and your family can live an active and healthy life. For more information, contact the Everley Team today.
