Upmarket and Stylish at its best! This light filled one bedroom apartment is on the second level of the building and comes with the most lovely view from your own private balcony. You won't be disappointed waking up in this apartment on a Sunday morning and walking down to the local coffee shop just moments from your building to grab your coffee and even have a stroll in the Grattan St Gardens across from you. This is location at its best, only being a few steps from Greville street, Chapel Street and the Prahan Station. As you enter you are welcomed by light and a very modern kitchen featuring stainless steel Blanco appliances and a dishwasher. The lounge is well sized with a split system heating/cooling unit. The double sized bedroom comes with plenty of cupboard space inside the built in robes. The bathroom is luxurious with the black tiles and large mirror. There is also a euro style laundry. No car park for now. **HOW TO INSPECT THIS PROPERTY:** Arranging an inspection is easy. Just click the **BOOK AN INSPECTION** button. Enter your details and choose a day and time that suits you. You will be **INSTANTLY** informed of any changes or cancellations. If a property says there are no times available, please register and you will be notified once an inspection time becomes available.
