An Oxford & Peel apartment tops everyone's wish-list and this 1 bedroom stunner presents an exclusive opportunity of pure inspiration that's luxurious and sustainable. Highly sought-after in the heart of Collingwood's vibrant Smith & Gertrude Streets' precinct, architects Jackson Clements Burrows and the ethical Small Giants' have excelled with a 7-star energy rated design reflected in the state-of-the-art sophistication of this outstanding apartment. Indulge in the epitome of sophistication with a timber veneer kitchen equipped with top-of-the-line Miele appliances, including a four-burner gas cook-top and electric oven, complemented by a convenient dish drawer dishwasher. The stunning fully tiled bathroom exudes elegance, while the seven-star energy rating and double glazing ensure optimal comfort and sustainability. This thoughtfully designed residence boasts hydronic heating, ceiling fans, and timber flooring, creating a cozy and inviting ambiance. With a large bicycle room in the basement, secure intercom and video security, and an enclosed European laundry, convenience meets style at every turn. Take advantage of the rooftop common area on level 4, complete with a built-in BBQ and breathtaking landscaping, offering unparalleled views of the city skyline. Embrace a lifestyle where modern architecture meets traditional charm, paying homage to Collingwood's industrial heritage. Note: Carpark is a secure stacker (induction required) Utilities are not included
