Securing an exclusive position in the PM development, this modern three-bedroom apartment split over two levels enjoys an oversized terrace with city views and modern finishes creating the perfect lifestyle opportunity in a sought-after locale. Part of the PM Project designed by Elenberg Fraser and landscaped by Jack Merlo, the residence enjoys access to resort style facilities including pool with cabanas, rooftop garden and BBQ, private dining spaces, winter lounge, games room and gym. Merging an effortless sense of convenience with a bright and accommodating floorplan, be welcomed by an expansive open plan living and dining space complemented by wall to wall, floor to ceiling windows. Take in the view from your oversized terrace and enjoy the delights of a kitchen equipped with stone topped benches, custom cabinetry, sleek stainless-steel appliances, champagne tapware, parquet flooring throughout, and feature smoke-glass splashbacks. Heading up to the second level, be greeted by three large bedrooms which are all equipped with built in robes with the oversized master granted access to its own private balcony, walk in robe and luxurious ensuite. A matching central bathroom with brushed gold hardware and rainfall shower services the home. Also featuring study nook, laundry room and two side by side undercover parking spaces (one with over bonnet storage). Nestled in the sweet spot of Port Melbourne between the river and the bay - take an easy stroll to Murphy Reserve, Westgate Park or the iconic Port Melbourne beach and Princes Pier. Take your pick from the delights of South Melbourne Market, South Wharf shopping and the Arts Precinct with the CBD only 3km away.*195 sqm includes internal & terrace
