This character-filled home is situated in an enviable CBD location, moments from the trendy Keppel Street and Centennial Park. Featuring ornate fireplaces, high ceilings, and wooden floorboards throughout, this home truly represents a piece of Bathurst's history. Located for lifestyle and freshly painted, this home is perfect for those seeking effortless living. What we love about the property:

- Three spacious bedrooms
- Two large living areas
- Wood fire in second living
- Large kitchen with in-room dining area, with ladder access to the upstairs loft
- Cute cottage-style front façade
- Side access to level yard
- Close proximity to Bathurst CBD
