Well set back from St Helena Road in a private service lane, choosing the right home for your growing family has been made easy by this excellent three-bedroom home in a popular family-oriented pocket. Original yet immaculate in presentation on a large 790sqm (approx.) block, the home's intelligently zoned single-level floorplan speaks family with its private three-bedroom wing, which is serviced by a renovated ensuite to the master bedroom and renovated main bathroom and is well distanced from the large living area on entry and spacious open-plan meals/kitchen area. The undercover alfresco's perfect view across the beautifully-kept backyard means you can keep a watchful eye on the kids from a distance when entertaining, while a double lock-up garage with access to a storage area under the house, large laundry, ducted climate control and scope to update now or in the future are further highlights of this charming home. Enhancing the appeal is the family-friendly location, which stands inside the Greenhills Primary School and Montmorency Secondary College catchment areas and is only moments away from Malcolm Blair and Anthony Beale reserves, sporting facilities, Greensborough Plaza, WaterMarc, Greensborough train station, bus services and the Metropolitan Ring Road.
