The first thing you will notice when you enter this apartment in Mirvac's premier development, is the size. This superb apartment includes a large open living space, master bedroom and separate study nook—its roomy 70sqm layout easily eclipses the typical Brisbane one-bedroom unit size of 52sqm. Three minutes' walk from Gasworks Plaza – Newstead's favourite food and retail precinct – this apartment in the Unison development offers the convenience of inner city living paired with the innovation and style synonymous with Mirvac. Perfect for a couple or single, this larger than normal one-bedroom apartment is true to Mirvac's uncompromising quality and features:

- Large open plan living
- Great balcony space
- Master bedroom with built-in wardrobe
- Separate study nook
- Gas cooktops and spacious chef's kitchen
- Ducted air conditioning
- Linen and broom cupboards
- Laundry facilities
- Blockout privacy blinds to bedroom

Featuring a lap pool, plunge pool, BBQ pavilion, yoga lawn, restaurants, the exclusive resident-only areas of the Unison development are so well equipped, you'll (almost) never want to leave. \* Photos used for advertising purposes are a representation of the property only.
