Appreciate the customised qualities and contemporary polish found within this fabulous two bedroom two bathroom second floor security apartment. Differentiating its open plan living and dining spaces with Oak floors and blue carpets, this relaxed abode is warm and inviting, featuring a superb corner kitchen with Ilve appliances, a bespoke main bedroom suite with floor to ceiling mirrored robes and modern ensuite, a flexible open second bedroom (or study) with balcony access, fully tiled bathroom and a European laundry. The deep west facing balcony gives you a choice of open or undercover alfresco pockets, while this generous apartment gives you the qualities of reverse cycle air conditioning, double blinds, double glazing, video intercom, lift access, a storage locker and secure basement parking. In this smart development with its standout garden atrium, next door to Carnegie Primary School and the kindergarten, a matter of footsteps to the city bound Glen Huntly Road tram and so close to Koornang Road's thriving 'eat street', the Koornang Park pool redevelopment and Carnegie's skyrail train station.
