One of Arbour Park's best value offerings, this two bedroom two bathroom offering is situated on Level 2 and includes fantastic views to North. With an efficient layout with lots of space for living and dining, it also features a good sized kitchen with island bench and a basement car space. Further features include; Custom Lighting Inspired by the Eucalyptus pod, living rooms and kitchens feature bespoke lighting by Melbourne-based glass and lighting designer Mark Douglass. Lush Landscapes Celebrating the abundance of flora for which Surrey Hills is revered, landscapes by Openwork offer all Arbour Park residents a connection to nature. Premium Fittings and Finishes From premium appliances to polished metals, natural stone and timber, residences offer a seamless integration of functionality, technology and high-end design. Bespoke Joinery Fastidiously designed by Elenberg Fraser, custom joinery pieces throughout provide an unrivalled level of craftsmanship. Contact us now to book your appointment at our display suite.
