Perched up above the action on penthouse level, this dynamic 2 bedroom 2.5 bathroom security apartment uses its dual level design to create a distinct sense of space and separation. Enjoying its street front aspect with city views, and bay glimpses from the north west facing balcony terrace, this unique apartment features a light filled open plan living and dining area on the entry level with a neutral granite kitchen (Smeg/Bosch appliances), guest powder room and pair of French doors to the alfresco terrace; and an upper level with 2 separated bedrooms (mirrored robes), 2 sparkling bathrooms (ensuite) and a Euro laundry. In the highly desired 'Bayport' building, this well-proportioned abode is fitted with Roman blinds, reverse cycle air conditioning, video intercom and under stair storage with lift access to a deep secure undercover car space. As good as it gets for location with a cosmopolitan selection of cafes, restaurants, dessert bars, essentials and services on your doorstep, jump on the light rail and head into work, stretch your legs over on Lagoon Reserve or go strolling along the sand along Port Melbourne Beach. •?Watch the action from above•?Prized north west facing orientation•?Significant 114sqm approx. layout•?Deeper than usual secure car space
