Indulge in opulence with this meticulously designed four-bedroom luxury residence, an architectural masterpiece offering a harmonious blend of style and functionality. The downstairs master suite is a retreat of elegance, featuring a walk-in robe and a luxurious ensuite. Upstairs, a second master suite awaits, complete with a full ensuite and a private balcony overlooking the surroundings. European oak flooring graces this home, accentuating the high ceilings and creating an ambiance of timeless sophistication. The upper level hosts a versatile home office or sitting room, enhancing the property's adaptability to modern lifestyles. The heart of the residence is a vast, open-plan living space, seamlessly incorporating a large meals area that opens onto a tranquil garden oasis. The kitchen is a culinary delight, boasting ample cupboard and pantry space, Blum cabinetry, and a breakfast servery window with bi-fold doors. Additional features include a large laundry, external remote control blinds, a rear retractable automated awning in the backyard, and lush landscaping with established plants and trees, ensuring both beauty and privacy. Zoned refrigerated heating and cooling, along with numerous storage options throughout, complete this unparalleled luxury living experience.
