Architecturally designed this first floor apartment delights the senses. Finished to the highest standard, this studio apartment provides an abundance of natural light and stunning interior with its open plan living. Interior designed throughout, this apartment boasts an ultra modern bathroom with ample light and storage. As you walk further into the apartment, the right wall is lined with cupboards and storage transitioning into a low lying storage buffet continuing the lines of symmetry and providing the perfect position for a TV, artwork or the like. You will love that this apartment is fully self-contained. The kitchen consists of a white stone bench top, equipped with built-in appliances including dishwasher, fridge, hotplate and microwave and a foldable kitchen table. Adding to this is a built in washing machine, showcasing the uniqueness of this apartment. While you relax in the living/bedroom with hydronic heating and LED lights throughout, you look out onto the beautiful Parisienne garden and are greeted with a glass laminated sliding door opening to a beautiful balcony. Not only is this apartment creatively styled and exclusive, it boasts a gymnasium and sauna with security entrance, in street parking, intercom and CCTV. The complex is positioned in the highly sought after neighbourhood of Toorak village where there are cafes, restaurants, supermarkets and boutique shops just around the corner.
