The team at Harcourts Kellyville is proud to present to you this wonderful opportunity to secure these 2 adjacent blocks of land equalling 10 acres in one of the most desired pockets of the suburb. Surrounded by Cattai Creek Reserve, both blocks offer a whisper-quiet environment & tranquillity. The location couldn't be better as we are within close proximity to the proposed Barry & Stringer Road playgrounds & parks, quick access to public transport, a short drive to shops & supermarkets, schools, child care centres & sporting facilities. North Kellyville has ranked number 1 in NSW for most popular suburbs for foreign buyers' inquiries as per REA so you can rest assured that it is the best suburb to invest in.
