Tranquility in Town

Great family home or investment property situated on an 1011*sqm block.

- Four bedrooms, main with built in wardrobes
- Study area or home office space
- Functional kitchen with dishwasher, electric cooking and adjacent dining space
- Modern bathroom with shower, bath, vanity and separate toilet
- Two separate living zones offer space and versatility for a family
- Gas heating keeping you cosy throughout the cooler months
- Single garage and additional parking for 2 cars

- Entertaining area overlooking the established gardens and yard maintenance backyard
- Elevated position with panoramic views to the South

Beautifully presented throughout, it's a happy haven where sunshine filters in through large windows and generous living spaces are complemented by fresh finishes.
