Backdropped by the signature rolling hills of the beautiful Southern Highlands and ringed by a luxuriant garden on over half an acre of prime real estate, this classic, cosy, double-brick cottage offers an ideal, value-plus foothold into the flourishing Highlands real estate market. Nestled on the fringes of the charming village of Robertson, the existing home promises visionary buyers the prized opportunity to capitalise on its rich potential to renew and enhance its appeal. Embracing three titles, the property delivers rich and rare scope to entirely re-imagine the space, with potential for further development (STCA).- Three bedrooms, all with robing- Well-presented bathroom with tub and separate toilet- Country kitchen flanked by meals area and lounge, warmed by a cosy fireplace- Large laundry, carport and double-brick, two-car garage or workshop- Impressive, covered sun deck overlooking the garden- The established gardens are lushly eye-soothing, with a mix of deciduous trees, evergreens and flowers and sweeping stretches of lawn, providing an ideal setting for the dream home you could re-create on the property- Lovely, elevated, country setting on a quiet road just 30 minutes from the beach This property ripples with possibilities and is certain to lure astute buyers keen to renovate or rebuild for profit, or craft the country sanctuary they've always dreamt of. The choice is yours! For further information, call Claire Douch on 0476 779 449 or Doug Drysdale on 0422 301 913.
